

Slayer Swaps

116 slayer tasks and 35 boss tasks: 150 have at least one supported teleport, 1 have none. 9 slayer masters. 576 teleports mapped across 208 locations.

Teleports covers slayer ring, fairy rings, house portals (construction/max cape and house tablets), max cape, teleport items (glory, hilt, necklaces, talismans and more), spells and their tablets, Wilderness obelisks and Teleport to Boat. A task with one location uses it straight away; for the rest, choose by right-clicking your slayer helmet. Konar's tasks use the area she assigns. Wilderness locations are only used with the Wilderness setting on, or for Krystilia tasks. Rows in red have no supported teleport.
